## Tamara L. Bogner, CIC

### Account Executive

Tammy has more than 16 years of experience in the professional liability and commercial insurance industry.

With her strong background in risk analysis, reviewing current policies and finding ways to improve coverage and/or reduce costs, she provides excellent risk management for medical and legal professionals.

Tammy is involved in marketing Insurance Partners' Medical Professional Liability program to physicians and allied health care professionals.

She also serves as an advisor on practice management with regard to professional liability and commercial coverage.

Prior to joining Insurance Partners as an Account Executive, she was a Professional Liability Associate for over 10 years with another leading Northeast Ohio agency where she specialized in accountants and attorneys professional liability.

Tammy is a past member of Summa Health Care Junior Board and was instrumental in developing the American Medical Directors Association program for Medical Directors. She also serves as a volunteer at Rose Lane Healthcare Center.

Tammy says, "I pride myself on becoming a strategic business partner and resource for my clients; not just an agent."

Tammy's clients have commented on how knowledgeable she becomes about their business, so that she can represent their best interests. She has a good grasp of the current professional liability markets, so that she can help clients navigate through the application and selection process.
