

Christine Costa

Professional Lines Account Manager

Christine is part of the Professional Insurance Liability team, working with Insurance Partners' many physicians, dentists and accountants on their professional liability insurance needs.

She has more than 25 years professional experience in the insurance field, serving in various aspects including personal lines, commercial and claims.

Prior to joining Insurance Partners Agency in 2008, she worked eight years as Commercial Lines Account Manager at another insurance agency, and in other various positions with an insurance carrier servicing national accounts for 15 years.

Christine received a Bachelor of Science in Marketing from Myers University, and also a Marketing & Sales Certificate from Lakeland Community College.

Christine says, "Getting superior Professional Liability coverage starts with understanding the needs of our clients and their practices. We have all the insurance tools at our disposal to put together comprehensive protection. We will always bring the most quality solutions to our clients."
